Tuition Information

At Chobham Golf Club we are able to utilize a great set of facilities to optimize lessons into any part of your game. With a large putting green kept to fantastic condition all year round, as well as a private practice ground with covered all-weather mats, to compliment the extensive grass areas.

We also offer on course lessons where Michael can look in more depth at all aspects of your game.

Video Analysis is perfect for dissecting your golf swing to solve specific problems. V1 Ipad software is combined with a Cannon hi-speed camera to look at every detailed aspect of your swing.
