Rules of Golf

The following temporary Local Rules will be in force;

- ▶ Bunkers: When a player's ball lies in a bunker the player may take free relief by placing the original ball or using another ball and playing it from this relief area. Once the ball has been placed it cannot be replaced as it is now deemed to be in play:
 - ▶ • Reference Point: Spot of the original ball.
 - ▶ • Size of Relief Area Measured from Reference Point: 6 inches from
- ▶ the reference point, but with these limits: Limits on Location of Relief Area, must not be nearer the hole than the reference point, and must be in the bunker.
- ▶ In proceeding under this Local Rule, the player must choose a spot to place the ball and use the procedures for replacing a ball under Rules 14.2b(2) and 14.2e.
- ▶ The area where the ball is to be placed must not be smoothed before placing. If a player fails to get out of the bunker then they are entitled to free relief again, provided the ball is in a poor lie due to the bunker not being raked.
- ▶ Flagstick: The flags are being left in the hole purely to identify the position of the hole on the putting green. Golfers must always leave the flagstick in the hole and not touch it deliberately.
- ▶ Ball Holed: The ball lifters fitted to the flagsticks do not form part of the normal challenge of playing the game and, at certain angles, the wires joining the upper and lower parts may lie on the players line to the hole, potentially deflecting the ball and preventing it from being holed. In this situation, the lifter may be treated as a Movable Obstruction (Rule 15.2) and rotated but not lifted WITH A CLUB prior to making a stroke to obtain Maximum Available Relief.
- ▶ The player must not deliberately touch the flagstick - Penalty for breach of Local Rule; General Penalty. You can also use Rule 13.2c, if the ball is resting against the flag stick and any part of the ball is below the surface of the putting green, the ball is deemed to be holed.
- ▶ Immovable Obstructions (Rule 16): Stakes that define either an area of the course (such as penalty areas) or distances (such as distance markers) are deemed to be Immovable Obstructions and as such must not be removed. This does not apply to OOB posts which are Boundary Objects from which no relief is available other than during play of 5th and 10th holes as per scorecard. Penalty for breach of Temporary Local Rule: General Penalty
- ▶ Bird Damage: In the general area, areas of damage caused by birds are to be treated as ground under repair from which relief is allowed under rule 16.1b"
- ▶ Note: Smoothing of bunkers with feet or a club is permitted under Rule 12.2b(2) after the stroke is made.
