Dear Society Organiser,

In this pack you will find information on the Golf Packages that Chobham Golf Club has to offer.

Societies are welcome Monday to Friday for 12 or more players.

Chobham is an 18 hole, par 69 course designed by Peter Alliss and Clive Clark, among the many attractive features of the course are six strategically placed man-made lakes and many established trees that give it maturity beyond its years. The course has become one of the finest of the newer courses in the area, given its beautiful setting in naturally undulating land, mature oaks and secluded location.

You will find our menus attached, we require one choice for the whole group and menus must be confirmed 14 days prior to your day. For Societies of 25 or more we are able to offer a carvery option for your meal.

We require confirmation of your final numbers 5 days in advance of your day.

Please make your members aware of our dress code and mobile phone policy prior to arrival to avoid any embarrassment on the day.

Our Pro-Shop will be happy to organise for you, Nearest the Pin and Longest Drive markers and can offer a wide range of prizes and products that can be personalised with your Company logo if required. You can contact Michael Harrison our Head Professional on 01276 855584 or [michael@chobhamgolfclub.co.uk](mailto:michael@chobhamgolfclub.co.uk)

I do hope that we will be able to accommodate your day and look forward to welcoming you to Chobham Gold Club.

Kind regards,

*Sarah*

Do not play your shot until players in front are out of range.

When looking for a ball, call players behind through **immediately** if you cannot find your ball

Replace all divots and repair all pitchmarks

Rake over all footprints in bunkers

Handle flagsticks with care to avoid damage to greens

When you have finished the hole leave green immediately and mark your card on the next tee

Be ready to play your next shot as soon as it is your turn

Help to keep the course clean and please put litter in the bins provided

**REMEMBER:** Slow play spoils the round for everyone so keep up with the group in front not just ahead of the group behind.
