Dear Society Organiser,

In this pack you will find information on the Golf Packages that Chobham Golf Club has to offer.

Societies are welcome Monday to Friday after 11 am for 12 or more players.

Chobham is an 18 hole, par 69 course designed by Peter Alliss and Clive Clark, among the many attractive features of the course are six strategically placed man-made lakes and many established trees that give it maturity beyond its years. The course has become one of the finest of the newer courses in the area, given its beautiful setting in naturally undulating land, mature oaks and secluded location.

At Chobham Golf club we thrive on helping you to create the perfect day and feel that with our experience we can help you achieve that. Our staff are experienced in organising and running golfing events throughout the year. Our attention to detail helps you to professionally organise your event giving all your guests that special sense of occasion from arrival right through to their departure. We can tailor all of our packages to suit your needs and budget. You will find our menus attached, we require one choice for the whole group and menus must be confirmed 14 days prior to your day. For Societies of 25 or more we are able to offer a carvery option for your meal.

We require confirmation of your final numbers 5 days in advance of your day.

Please make your members aware of our dress code and mobile phone policy prior to arrival to avoid any embarrassment on the day.

Our Pro-Shop will be happy to organise for you, Nearest the Pin and Longest Drive markers and can offer a wide range of prizes or products that can be personalised with your Company logo if required. You can contact Michael Harrison our Head Professional on 01276 855584 or michael@chobhamgolfclub.co.uk

I do hope that we will be able to accommodate your day and look forward to welcoming you to Chobham Golf Club.

Kind regards,

Sarah
